The second secon

IT IS AN IDEAL DAY.

Everybody Observing the Typical American Holiday.

Thanksgiving on Field, on Track and on Carpet.

Turkey and Good Cheer for the Rich and the Poor.

and the Memorial Logicing-stone corrects the way at the Tweeting from shutters pulled down. It was real holiday.

The streets in that "downtown" district below Canal street, where 100,000 Brook lynite join with haif a million New Yorkers in the works-edgy struggle for the cluster God of Mammon, were bleak and silent and descried.

The Typical American Holiday.

The Typical American Holiday.

The Typical American Moliday in the family holiday; day of reunions; the day of reunions is day of reunions; the day o day of reunions; the day en Tom comes home from the minregions and Mille brings her husband is bables to spend the day around the old that the day which began with our grave drawing and prayer, and bas grown in a close of this ninetcenth century to be a you casting and play.

In the day work ould give points to those a further work of the poor of Brooklyh.

The hotels all set forth a specially temptThe hotels all set forth a specially temptare 'do; the day which began with our grave

the close of this ninetcenth century to be a day of reasting and play.

Ah. Now York could give points to those old Furitans and heat them hands down in the proper and due celebration of the day of thank-offerings which they instituted so grimly in the lorests of Massachusetts hay.

The day is being observed on field and track and carpet, as well as in the sanctuaries of the metropolis. There is prayer and reflection and religious devotion, but there is rolle and ina, too, and there will be feasiing later in the day, and cancing and more glad-

irolle and fun, too, and there will be feasting later in the day, and cancing and more gladness and fun, lasting far into the night.

A blan of the Times.

It has taken 250 years for the descendants of those whe instituted Thanksgiving to get sadness out of the day and put gladness in its place, and one of the most conspicuous signs of the times is found in a notice sent to all the newspapers by liev. Diss Parkhurst and Burrell, of the Madison square Presbyterian, and the harble Collegiate Churches, respectively, that they would had their services an hour earlier than usual—that is at 10.30 o'clock—out of deference to those who wish to attend the routen. ince to those who wish to attend the football

game.

Nev. Dr. Paxton, that most progressive of Presbyterians, closes up his church entirely on the ground that nobody wants to be preached to on Thanksgiving Day, and he will not preach to a leggariy array of empty benches.

Services in the Churches.
But there will be divine services and thanksgiving at Dr. D. S. Wylle's Scoods Presbyterian Caurch, Fourteeath street near sixth
avenue, at 11 z. M.; at they, John J. Brower's
North Baptist church, at 10.30 o'clock, in the
form of a Harvest. Home cerebration, and at
nearly at the other churches in some form.
The Fourth Presbyterian and Thirtieth
Street Methodist Episcopal churches united
at the Thirty-Fourth Street Reformed Church
to hear Keys, Peter Stryker, Joseph R. Dodge
and S. H. Bray. There will also be a reception to all visiting

There will also be a reception to all visiting attaients this evening by the Students' Movement, of New York, at their pariors, 136 Lexington avenue, at which there will be a dinner and addresses by Chauney M. Depew, Chancellor McCracken, of the University, and Dr. Wilton Merle Smith, of Princeton.

The programme for the dedicatory ceremomonies at the New Orphan Asymm of the Hebrew Sheltering Guardian Society, Eleventh avenue and One Hundred and Firtieth street, at 2 o clock this atternoon, included addresses by Mrs. P. J. Joachimson, President: Charles P. Day, Judge McAdam, Re-

Amateur Press Association began at the Metropolitan Hotel this murolog with a large atthe convicts.

the convicts sat down to dinner.

At noon the convicts sat down to dinner. As for the outdoor; celebration of the day,

Of course the event of the day is the foot-ball game between Yale san Princeton at Manhattan Field, and the Lericet weather, together with the tremendous party leeling between the acudents, almost and friends of the contesting universities will make this a hot town till long after mindight, and until the enthusiasm of the victors and the ranco of the vacquained has effect seed a way. Then there are raradon to the number of fitty, permits having been issued for that number. Among the percentage parties were "The Only Original Houses." http, permits having been issued for that humber. Among the perading parties were "The Only Original Horings," Squareback. Ha gers, Macketeville Rougers, "Selection to Arms," "Consistent Arms," "Consistent Sea, "Station the Ward Warriors," "Hom Guard Warriors," "Gillagoley Musacteers," "Second-Hand Lumber Deathers, "Second-Hand Lumber Deathers, association," and the "Old and Only Original Old Time Rest."

Significate. All and the second of the secon

And Everybody Eats.
From the President of those United States flows 16 the ragged tatternemailan hobody area fall of his Thankspiving dinner to-last.
Treadent Burrison will eat a khode letend

Plower will olde with his own tame;

GOV. Flower will dine with his own tame; at the Executive Manslon, only his daugner, and her but-band and Mrs. Jeson, his sistermark, being invited as guests.

Police commissioner McClave will carve a gig-pound turkey ap his home, 120 West. Seventy-second street, where twenty-two guests will gather around the board.

Commissioner Shochan will eat his first Thanksgiving dinner at his own table to-day. Inspector Alex Williams will tackle the twenty-pound half-brother or last Thanksgiving sturkey.

Health Officer Jenkins. Dr. Nagle and Dr. Roberts will est their Thanksgiving aloner on a Pullman car, naving started for Mexico at 9 this morning.

After the mainner at the Garden Theatre "Robin Hood" and his merry men, and women, toe, will dine at belindelers as guests of Manager T. Hearty Freich.

Sprends for the Poor. But dining sumptiously is not the exclu-sive privilege of the well-to-to to-day, for those who have not only a surplus or cash, but an extra-plus or love for their fellow-men. Clear skies; a cold, yellow sun; crisp, dry
and bracing air; rooting dry and hard.

Those are the conditions for a perfect
Thanksgiving Day, and New York is certainly
blessed with such conditions to-da).

A November sun, a sun for light, not
warmth, reigned in a neaven of patent blue,
flecked with only flecclest cloudlets, and the
atmosphere was simply exultaring in its
effects.

The city arese late, for it was a holiday.
Exchanges, banks, public offices and the
shopping districts were descried. Doors were
closed; iron shutters pulled down. It was a

to-night.

Every theatre will put on a special bill and every hall in the city will be filled with merry reveilers. When New York gaes to bed Thanksgiving, 1892, will have oven thoroughly celebrated.

PELL AND SIMMONS THANKFUL. The Bank Wreckers Ent Turkey in New

There are two men in New York to-day who have every reason to feel thankful and whose turkey has an added flavor-that is,

tt has as a sauce the air of freedom.

Dinners in Sing Sing and the Kings County Penitentiary are not of the Delmonico order, o'clock last evening the people of this city even on Thanksgiving Day, and George H. bank wreckers, have been released just in not soon be forgetten. "Father is black and ugly, but making rather is black and ugly, but making nets. English is very flerce. If auybody does anything they swear dam. English women is few. They ride and play the music and sing and make faces. It is easy no work nor little houses. I don't know any more English. That is all I know."

know."

The small community of Englishmen in Malacca looks upon the circulation of this composition as a very bad joke, says the Chicago News, but the residents elsewhere say that it is so true that if this Portuguese boy could only be taught spelling he would prove a second Rudyard Kipling.

Some Try to Escape Just Before Their Sentences Expira. The craving for freedom is so strong among prisoners that they will even throw away their chances of pardon for the sake of its temporary gratification. The author of "The American Siberia. a book describing convict life in the South, says that one prisoner had served by Presidential proctamation for National out a long sentence up to its last day. He thanksgiving was bright and clear and cold had worked faithfully, and never violated a prison rule; all of the officials had the

utmost confidence in him. He was to be

I sent you over the hill for that barrel?"
He laughed at the idea.
"Why, of course I could. Captany," he replied. "I've had a hundred chances to escape, and, besides, I shall be a free man
